

5th Bordeaux Pharmacoepi Festival 14, 15, 16 April 2015

After the resounding success of the first four editions, the Bordeaux Pharmacoepidemiology team is happy to announce the Fifth Bordeaux Pharmacoepidemiology Festival. Over three days, five world-class experts will come to Bordeaux to talk of the topic of their choice, just after the ISPE 2015 Mid-year meeting (student presentations on Tuesday morning: meet the future). Two good reasons to come to Bordeaux! Participate in this fifth one-of-a-kind, once in a lifetime event! Never again until next year will such a group meet! Good Science, good Wine, good Fun!
